1 February 1957

MEMORANDUM FOR: Project Director

25X1A

SUBJECT: [REDACTED]

1. Attached for your information is an appraisal prepared by PI's among the agencies which indicates technical factors to be taken into account of any consideration of another flight over [REDACTED]

25X1A

2. I explained to the Ad Hoc Requirements Committee, as noted in the Minutes of the meeting on 30 January 1957 (TCS-793-57, ARC-M-31), that these views should certainly be made available to Pete Scoville and his two committees, JAEIC and GMIC. You will note in that Minute that I also emphasized that the question was not simply whether one should return to [REDACTED] or go to [REDACTED] YAR but rather, when appropriate and timely, a recommendation as to where, in the light of our study of [REDACTED] and other things, any new penetrations should occur.
